PPSL District Heating Ltd provides bespoke design, supply, installation and project management for district heating projects and pre-insulated pipes. As a company, we recognise that we have a legal duty of care towards protecting the health and safety of our employees and others who could be affected by our activities. To achieve this, we intend to provide and maintain safe working conditions, equipment and systems of work for all employees and to provide sufficient information, instruction and training and in doing so we:

- Bring this Policy Statement to the attention of all employees and make available to interested parties.
- Carry out and regularly review risk assessments to identify proportionate and pragmatic solutions to reducing risk, preventing injury and ill health.
- Communicate and consult with all persons working under the control of the organisation with the intent that they are made aware of their individual OH&S obligations.
- Comply fully with all relevant legal requirements, codes of practice and regulations at International, National and Local levels.
- Eliminate risks to health and safety, where possible, through selection and design of materials, buildings, facilities, equipment, and processes.
- Encourage staff to identify and report hazards so that we can all contribute towards improving safety.
- Ensure that emergency procedures are in place at all locations for dealing with health and safety issues.
- Maintain our premises, provide and maintain safe plant and equipment.
- Only engage contractors who can demonstrate due regard to health & safety matters
- Provide adequate training and ensure that all employees are competent to do their tasks.
- Provide an organisational structure that defines the responsibilities for health and safety and ensures it is documented, implemented, and maintained.
- Provide the framework for setting and reviewing OH&S objectives.
- Regularly monitor performance and review policies and procedures to pursue a programme of continuous improvement.

To protect employees and third parties from exposure to any illnesses as far as reasonably possible, PPSL will monitor and adhere to government guidelines and amend risk assessments and how the business operates as required. The health and wellbeing of our employees and others is our highest priority. All employees and contractors are expected to assist PPSL in the implementation of their Health & Safety Policy and do their utmost to ensure their own work as far as is reasonably practical is carried out with minimal risk. This policy shall be reviewed regularly and communicated to all employees and available to interested parties upon request.
